

**Purim**

***Achdut!!!***

**Meir Orlan**

**Kerem B'Yavneh**

It's Purim day;  
what more need we say?

Haman's plot was decided;  
because the Jews were "scattered and divided."

There began good news;  
when Esther said, "Go gather all the Jews."

It's **achdut** for sure;  
*sending mishloach manot and matanot to the poor!*

Even Haman, at the same time that he called the Jews divided, recognized that the Jews are in essence "one nation." In the spirit of *venahfoch hu*, let us learn this lesson from Haman!
